HELLO **SALAMANCA**

GETTING TO SALAMANCA IS WORTH THE EFFORT

The fact that Salamanca is a fair drive from an international airport and busy capital is part of its charm. Day-trippers and package deal tourists give way to the traveller that understands the value of hidden treasures. The city's traditional Spanish character is thus preserved intact, making it enormously appealing to anyone interested in immersing themselves in Spanish life, language and culture.

BOOKING YOUR FLIGHTS TO MADRID

The **latest flight** you should book is one that gets in at **19.00/19.30h** to give you time to get your luggage and get on the coach.

And on departure the earliest take off possible is **11:00h**.

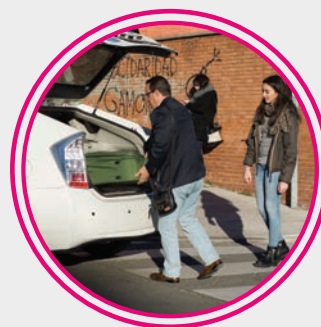

You might decide to take a flight that doesn't tie in with the latest/earliest coaches and spend the night at a hotel/hostal, either in one by the airport which has a shuttle service or in the centre of Madrid. ISLA can assist with bookings.

ADDITIONAL SERVICES

MEET & GREET

SERVICES

M&G MADRID (55 € PER PERSON OR PARTY)

Some students (or their parents) would rather have a chaperone who meets them at the arrivals gate with a sign and takes them to the coach, waiting with them til it departs.

This service is also available on **return when the student will be picked up from the coach**, checked in and seen through immigration.

M&G SALAMANCA (9,50 €)

You can book the M&G Salamanca and be met at the coach stop by a driver with a sign, who is pre-paid and pre-advised as to where to take you. So for little more than a regular taxi you save yourself a couple of potential wobbles.

(Minors are picked up by their host families).

INDIVIDUAL PICK UP (TAXI) FROM MADRID AIRPORT TO SALAMANCA ACCOMMODATION. (ONE PERSON: 190 EUROS; 2 PEOPLE: 110 EUROS; 3 PEOPLE: 70 EUROS)

For students that don't wish to wait for a coach or whose flights don't tie in with one, we recommend the individual pick up. It's quite competitively priced and is a door-to-door service.

FAQ

HOW MUCH TIME DO I NEED BETWEEN LANDING AND BUS DEPARTURE?

At ISLA we consider booking any coach that departs less than **90 minutes** from your landing time to be risky (or very risky in the case of a **Terminal 2** arrival when you have to walk about **25 minutes** to get to the **Terminal 1** coach park).

WHY LEAVE 90 MINUTES?

Planes can be late, they might park far away from the terminal, luggage can take a long time to come out, at passport control there might be a queue and you might have a long walk, or in the case of Terminal 4 a shuttle ride, to the arrival gate.

CAN COACH TICKETS BE CHANGED?

If you are booked on a later coach and arrive punctually, you can change your ticket with the driver on the coach (when it gets to the parking **15 minutes** prior to departure) for **1,50 euros** for an earlier one if there is space.

If you are booked on a coach which you miss, you lose your ticket and there might not be space on the next one and then you are a bit stuck.

So, unless we hear to the contrary, we will book you onto the closest coach **90 minutes** from your landing time.

I THINK I CAN MAKE IT IN LESS

All of this said, while we like to be responsible, we don't want to boss you around, so if you want to take a coach where this margin can't be respected, that's your call. You might be tempted to do this if it means your being able to take the last direct bus from the airport at **21:00** and not having to go to Madrid centre to take the last (slow!) coach at **22:30**.

You might even decide that you want us to buy you tickets on **two coaches** to cover best and worst case scenarios. **Also OK.**

I ARRIVE REALLY EARLY AND DON'T WANT TO WAIT UNTIL 13:00 FOR THE FIRST DIRECT COACH

If you are arriving **before 09:00** and you don't want to wait until 13:00 you can ask us to book you one from the centre of Madrid. It will take you **30 minutes in a cab** or **45 minutes on the metro** to get there and you must be very careful of your belongings throughout this journey.

WHAT HAPPENS IF YOU MISS YOUR BUS?

Relax. We are at the end of the **phone** (and speak English and Spanish). **We will try and get you on the next coach from the airport.** If this doesn't work out, we will figure out an alternative for you.

(0034) 646 980 353

CAN YOU BUY A TICKET AT THE AIRPORT?

Yes. The coach driver will sell you a ticket if there are seats available, from 15 minutes prior to departure. **You'll have more chance of getting a seat by asking ISLA to book you one.**

HOW DO I GET FROM THE COACH STOP IN SALAMANCA TO MY ACCOMMODATION?

You can walk, of course, but we recommend:

or

Take a cab from the rank outside the station, as they are cheap as chips (about 6-8 euros from the coach station to the centre).
